Sir:

This is responsive to a "Notice of Non-compliant Amendment (37 CFR 1.121)" dated February 20, 2008. A copy of this Notice is attached.

The Notice observes that an Amendment (filed November 20, 2007) uses the double bracket deletion procedure to delete more than five consecutive characters in claims 7, 8, and 10. To correct this error, the present Response forwards a corrected section for the Amendment.

It is noted that a similar Notice was mailed on February 11, 2008 and that a Response to it was filed on February 20, 2008. That Response forwarded the same attachments (that is, claim amendments) as the present Response.

Respectfully submitted,
